OWEN, PATTERSON & OWEN

LOCATED NORTH OF LOS ANGELES IN SANTA Clarita, Owen, Patterson & Owen is a dynamic law firm dedicated to serving clients victimized by defective products, negligence, fraud, and abuse by corporations and individuals.

Led by senior trial attorney and Super Lawyer Greg Owen, the five-lawyer firm has a distinguished record of multi-million dollar jury awards against major industries and the insurance companies who represent them. Notable cases include a \$14.75 million verdict against a sports equipment manufacturer and a \$6.3 million verdict against a retail store. Recently, the firm achieved a \$35 million cash settlement for a 12-year-old brain damaged client, believed to be the largest general damage settlement for an individual plaintiff in the nation.

REPRESENTING CONSUMER INTERESTS

Owen, Patterson & Owen takes pride in litigating cases that span a broad spectrum of consumer issues. These include motor vehicle accidents; defective drugs; defective medical devices; medical negligence; products liability; toxic injuries; securities fraud; and sexual harassment and abuse claims. The firm spearheaded the investigation of the dangers of Vioxx, which ultimately led to the drug being pulled from the market worldwide.

A RECORD OF MULTI-MILLION DOLLAR JURY AWARDS

In addition to cases resulting in huge monetary awards, Greg Owen takes a special interest in cases where a moral victory is the reward. He has represented victims of foster care abuse, child molestation, and sexually transmitted diseases. He also provides pro bono assistance to people in the community who need direction and guidance after they have "made a wrong turn."

FROM VICTIM TO ADVOCATE Ironically, Owen's interest in the law began when he was the victim of a drive-by shooting at age eleven in East Los Angeles. Early on, he became active in community affairs, and continued to work for public interest groups as he put himself through law school. Today, his compassion, intensity and sense of justice bring him cases from across the United States and foreign countries.

Owen is a member of numerous associations, including the Million Dollar Advocates Forum and the Consumer Attorneys Association of America, where he has served on the Board of Governors, the American Trial Lawyers Association, the Hispanic National Bar Association and the Mexican American Bar Association. He is a father of six, an avid coach, a motorcycle racer, and a collector of vintage muscle cars.
